Description

The KJV Concord Wide-Margin Edition is extremely popular with KJV scholars. It features wide margins all around the text for verse-by-verse annotations, as well as cross-references, a glossary, concordance, 15 colour maps and the Translators' Preface. The Bible text features pronunciation marks and has the distinctive Cambridge bold-figure cross-references. The paper is slightly heavier than in the regular Concord to allow for note-taking, and has gilt edges. The Bible is bound in black calf split leather. Calf split is a superior grade to French Morocco leather, tanned to approach the quality and feel of full-grain calfskin leather. The Bible has two ribbon markers and is handsomely finished with red and black head- and tail-bands.
