In Mirror, Mirror on the Wall..., we have the story of a man who grew up in difficult and often painful times. While Victor often struggled to see the hand of God at the time in those situations, it is clear that now, looking back, he sees that it was all a journey of grace. He is really describing the sovereignty of God worked out in his life on many an occasion. A constant refrain in the book, in the midst of sin and depravity, is — But God ...!
