Description

Hadley Hall is in full time service for the Lord. A native of Barbados, and a former schoolteacher by profession, he resides with his wife Gladys in Toronto Canada. The content of this booklet was developed from online discussions that took place during the restrictions of COVID-19. Brother Hadley facilitated those discussions. The study that evolved into this publication was transcribed by a dear brother who is now with the Lord. May the Lord use this material for His honor and glory.

38 Pages - Softcover - Author: Hadley Hall
