Description

Simple. Concise. Encouraging. You will find Christ our Sacrifice and Priest a helpful tour guide in your trip through the book of Hebrews. Burkitt provides clearly written and helpful answers to many of the issues often raised by readers who are thoughtfully reading their Bibles. Who do the covenants apply to? Why are Christians told that God is a consuming fire? Is it possible for a true believer to apostatize from the faith? But beyond simple answers to common questions the reader will find the Person who is far better than any type or shadow.
