Time for a Moral Checkup

A sick person needs a good doctor to diagnose and treat their ailment. The Minor Prophets provides notes on the 12 prophets from Hosea to Malachi whose prophetic writings, like a skilled spiritual physician's diagnosis and medicine, give

- Warnings of coming judgment• Calls for repentance• The faithfulness of God• The mercy and grace of God

You'll find a lot in these pages of notes and the full text of these prophets that challenges your conscience, opens a window on the character of our great God and Saviour, and gives a view of God's work in the past and plans for the future. This edition includes the full text of each of the Minor Prophets woven into the commentary to aid you in meditating on the Scriptures themselves.
