Description

Bibenta Starterpack

This sticker album for children offers space for 146 colorful stickers to collect, swap and stick in. Young collectors will discover lots of characters, stories and exciting factual information from the Bible. The stickers are packed in little packs. Each contains four stickers. But watch out: Not all are the same. The rare stickers with a hologram effect are particularly popular!

The starter set consists of an album with 4 sticker packs (16 stickers).
