The Purple Floral Blessed Is The One Faux Leather Fashion Bible Cover conveys a sense of peace while providing stylish protection for your Bible. Purple faux leather is used to construct the Bible case and is visible on the spine. Two slip pockets on the front and rear panels feature a full-color floral print against a purple background. A small cream-colored appliquéd faux leather patch on the front panel contains the sentiment in purple foiled letters. Blessed is the one who trusts in the LORD. Jeremiah 17:7
